STRUCTURES by PERONDA FASHION LAB

Desde Peronda Fashion Lab, hemos reunido una selección de diseñadores internacionales para crear STRUCTURES by PFL. Una nueva serie en la que invitamos a artistas internacionales de reconocido prestigio a volver a mirar el revestimiento cerámico. A dialogar, A investigar, a probar, a desafiar y en definitiva a reinventar el concepto del relieve cerámico y su aplicación. STRUCTURES by PFL une una selección de relieves estructurados en formato 32x90cm firmados por los mejores estudios de diseño del panorama actual, una colección viva, que crece cada temporada con nuevas incorporaciones y de venta por metro cuadrado.

From Peronda Fashion Lab, we have brought together a selection of international designers to create STRUCTURES by PFL. A new series where we invite renowned international artists to re-visit the ceramic tile. Where they discuss, investigate, try, challenge and ultimately reinvent the concept of the ceramic relief and its application. STRUCTURES by PFL combines a selection of structured 32x90cm relief tiles signed off by some of the best and most current design studios, a living collection, which grows with each season through new additions and where the reliefs are sold per square metre.
