SOAPSTONE STONE

Engendrada en las profundidades de la tierra durante cientos de años y en condiciones extremas, nace esta hermosa piedra. Al tocar su suave superficie uno se da cuenta de que se trata de un material único y especial, diferente a cualquier otro tipo de roca. Apreciada durante siglos, en la actualidad se utiliza para cientos de aplicaciones: obras de arte, utensilios de cocina, Arquitectura...

This lovely stone was engendered in the depths of the earth in extreme conditions in a process that lasted for hundreds of years. When you touch its smooth surface, you realize that it is a unique stone, unlike any other. Appreciated for centuries, today soapstone has hundreds of different applications, among others in works of art and architecture or to make kitchen utensils.
