

DECORATIVE WALNUT VENEER

WALNUT TREE TRUNK
CROSS SECTION

ORIGIN GRAY

1ST EDITION

ORIGIN

WOOD

Inspirada en la bella madera de Nogal, muy cotizada para el diseño de interiores por sus fabulosas características estéticas, su gran acabado, su dureza y su facilidad de tratamiento. Madera profusamente utilizada desde la antigüedad en el mundo del Arte. Los pintores preferían paletas realizadas con este material, por su finura y ligereza y los ebanistas la elegían para construir y tallar sus obras de arte. La presencia de este material seduce cualquier ambiente y a quien lo habita.

Origin is inspired by the beauty of walnut, a wood highly prized in interior design, thanks to its fabulous visual characteristics, lovely finish, hardness and easy care. Walnut wood has been widely used since ancient times in the art world. Painters preferred to have palettes made of walnut because they were thin and lightweight, while cabinet makers also choose this wood to build and carve their furniture. When walnut is used in living spaces, it infuses them with beauty, drawing all eyes.
