ALOE^{BATHTUB}

Aloe nasce come prodotto dedicato al benessere e alla cura di sé. La sua conca accogliente, definita dalla tattilità setosa e dall'effetto matt del Solid Surface, la rende un oggetto scultoreo, elegante ed attuale, ideale per arredare il bagno contemporaneo. Aloe è una sintesi tra innovazione, design ed eleganza, in perfetto stile Kos.

Aloe is conceived to become a dedicated tool to personal wellness. The cosy shape, with the silky texture and matt effect of the Solid Surface, makes it a sculptural, contemporary and elegant object, perfect for furnishing modern bathrooms. Aloe is the combination of innovation, design and elegance, in perfect Kos style.
