velvet

Superfici smaltate, progettate per creare ambienti bagno caratterizzati da un gusto corrente influenzato dalla moda e dal design. Velvet è una allegra collezione di materiali da rivestimento sviluppata in 4 colori e in 6 diverse tipologie decorative nel formato 25X50, ideali per ottenere rivestimenti a parete utilizzando il formato sia in verticale che in orizzontale. Alle decorazioni con interventi cromatici e floreali se ne affiancano altre con garbati effetti lucidi tono su tono, pensate per creare semplici ma vibranti pareti architettoniche. Abbinare al rivestimento Velvet, Senio consiglia Geo e Metropolitan come coerenti e resistenti pavimentazioni coordinate.

Glazed surface studied to create customized bathroom atmospheres in the most up to date trend of tasteful design. Velvet is a joyful collection of wall tiles in 4 colours and 6 different decorative patterns in the size 25X50, ideal for both vertical and horizontal installation, eventually combined. In addition to the chromatic and floral decors this collection includes other decors with characteristic mild glossy shade on shade lighting effects conceived to create simple and yet vibrating architectural atmospheres. To match Velvet wall tiles, Senio recommends Geo and Metropolitan as coordinated and resistant floor tile collection.

Surfaces émaillées, projetées pour réaliser des salles d'eau dans l'esprit des tendances actuelles de design. Velvet est une joyeuse collection de revêtements en 4 formats accompagnés de 6 variations décoratives 25X50, idéale pour habiller des murs en réunissant la pose verticale et la pose horizontale. Les décors caractérisés par des effets chromatiques et floraux s'enrichissent d'autres éléments aux effets ton sur ton élégamment brillants particulièrement indiqués pour créer des ambiances architectoniques à la fois simples et vibrantes. Pour la collection murale Velvet, Senio propose ses collections Geo et Metropolitan de sols coordonnés à haute résistance.

Glasierte Oberfläche zum Badezimmer gestaltet. Bäder, die durch den derzeitigen Geschmack von Mode und Design beeinflusst worden sind. Velvet ist eine lustige Sammlung von Wandmaterialien, die aus 4 Farben und aus 6 verschiedenen Dekortypen im Format 25X50 besteht. Sie ist für die Erzielung von Wände geeignet, wo das Format sowohl senkrecht als auch waagrecht verlegt wird. Bei den chromatischen- und Blumen-Dekoren bietet man leichte glänzenden „Ton in Ton“ Effekten an, die zur Schaffung von einfachen, aber spannenden Architektur Wänden gedacht worden sind. Zu den Wandfliesen Velvet, schlägt Senio passende, koordinierte und starke Böden vor (Geo und Metropolitan).

Superficies esmaltadas, proyectadas para crear ambientes de baños caracterizados por un gusto influenciado por la moda y el design. Velvet es una alegre colección de revestimiento presentada en 4 colores y en 6 tipos diferentes de decoración con un formato de 25X50, ideal para obtener superficies a pared utilizando el formato tanto en vertical como en horizontal. A las decoraciones con intervenciones de color y motivos florales se suman otras con elegantes efectos lúcidos tono sobre tono, pensadas para crear simples pero vibrantes paredes arquitectónicas. A la línea Velvet, Senio propone Geo y Metropolitan como coherentes pavimentos coordinados.
