

birillo

INNOVAZIONE

Prima gamma di rubinetteria prodotta con lavorazione interamente da barra, la serie BIRILLO ha rappresentato nei primi anni 2000 un'innovazione tecnica ed estetica di altissimo livello. Ancora oggi rappresenta un mix di grande successo tra design e praticità di utilizzo, le sue forme pulite e lineari lo rendono il perfetto complemento di arredo di qualsiasi ambiente. Tutti gli articoli sono disponibili nella classica finitura cromata.

INNOVATION

BIRILLO series is the first range of taps produced entirely by brass-bar machining; in the early 2000s it represented a technological and aesthetics innovation of the highest level. Still today, it is a mix of great success between design and usefulness; its clean and linear shapes make it the perfect complement to any room decor. All items are available in the classic chrome finish.
