La piedra más singular. Una exégesis casi poética del tradicional Calacatta en clave b&w. Extraído de canteras únicas en el mundo, este mármol destaca por sus remarcadas vetas en color negro en perfecto mix&match con el blanco de su base. Líneas dramáticas y llenas de ramificaciones que se caracterizan, asimismo, por el grosor de su trazo.

A la versión en porcelánico de 60x120 y 120x120, Calacatta Black anexiona un relieve en 29,5x90 a sus propuestas para revestimiento.

Un entramado geométrico muy elegante que provee de fuerza y carácter a los espacios.

One-of-a-kind stone. An almost poetic interpretation of the traditional Calacatta in key b&w. Extracted from unique quarries around the world, this marble is notable for its prominent black veins which combine perfectly with the white of the base. Dramatic lines which branch out and spread, they stand out due to the thickness of the strokes.

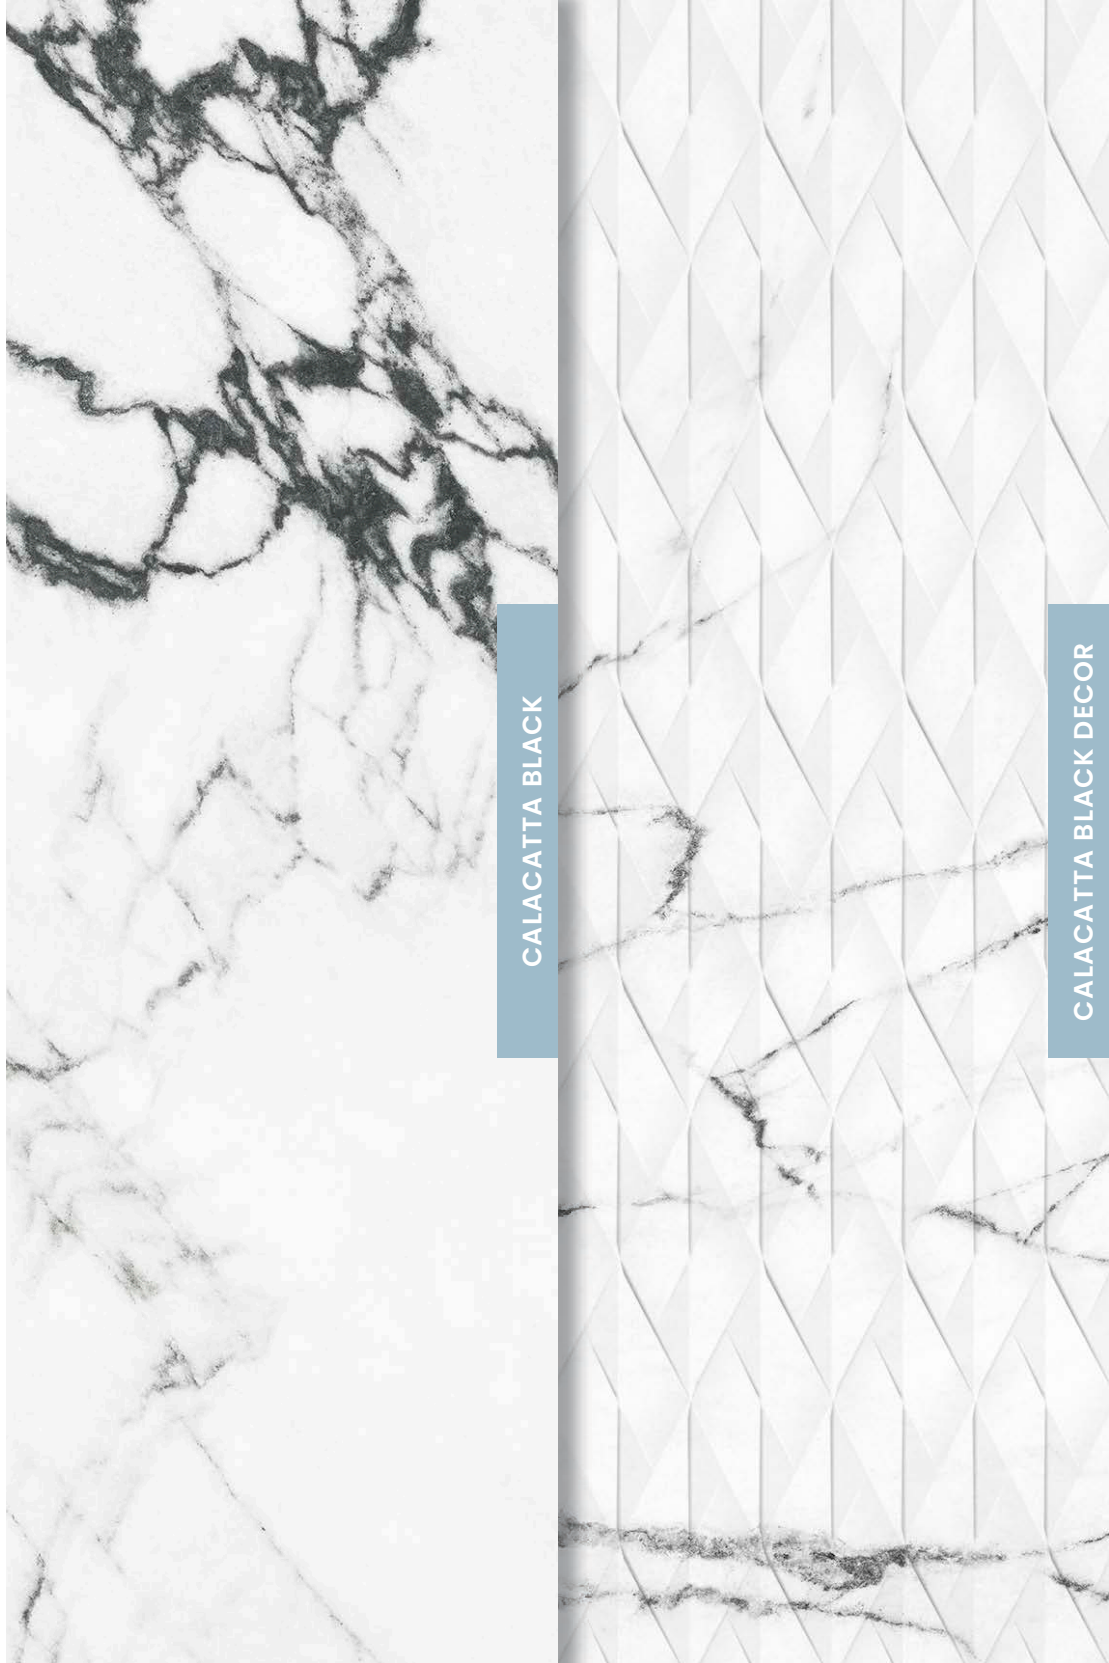

In its porcelain version measuring 60 x 120 and 120 x 120, Calacatta Black adds a relief of 29.5 x 90 to its flooring range.

An elegant geometric framework that affords strength and character to your space.
