

## Bowl

Jugando con formas orgánicas y relieves sutiles, Eva Prego y Cutu Mazuelos - Stone Designs - han creado Bowl. Un azulejo que, a través de una variedad infinita de combinaciones, ofrece la posibilidad de concebir espacios en los que se generan diferentes efectos según la orientación de las piezas. Stone Designs se recrea con la repetición de estos elementos que permiten trabajar tanto con colores lisos, como con degradados de colores pastel.

Playing with organic shapes and subtle reliefs, Eva Prego and Cutu Mazuelos - Stone Designs - have created Bowl. A tile that, through an infinite quantity of combinations, offers the possibility of conceiving spaces where different effects are generated depending on the combination of the pieces. Stone Designs enjoys with the repetition of these elements that allow us to work both with plain colors and degraded pastel colours.
