Silvery billows reach out and recede on the melodies of a stone stave which vibrates and transfigures

Des flots d'argent s'allongent et se rétractent sur les mélodies d'une portée de pierre qui vibre et transfigure

Ströme aus Silber strecken sich aus und ziehen sich dann zurück, auf den Melodien eines Pentagramms aus Stein, das vibriert und sich verwandelt

Calm horizons light up the wings of these remote figures
De calmes horizons allument les coulisses de figures si lointaines
Stille Horizonte entflammen die Kulissen solch weit entfernter Wesen,

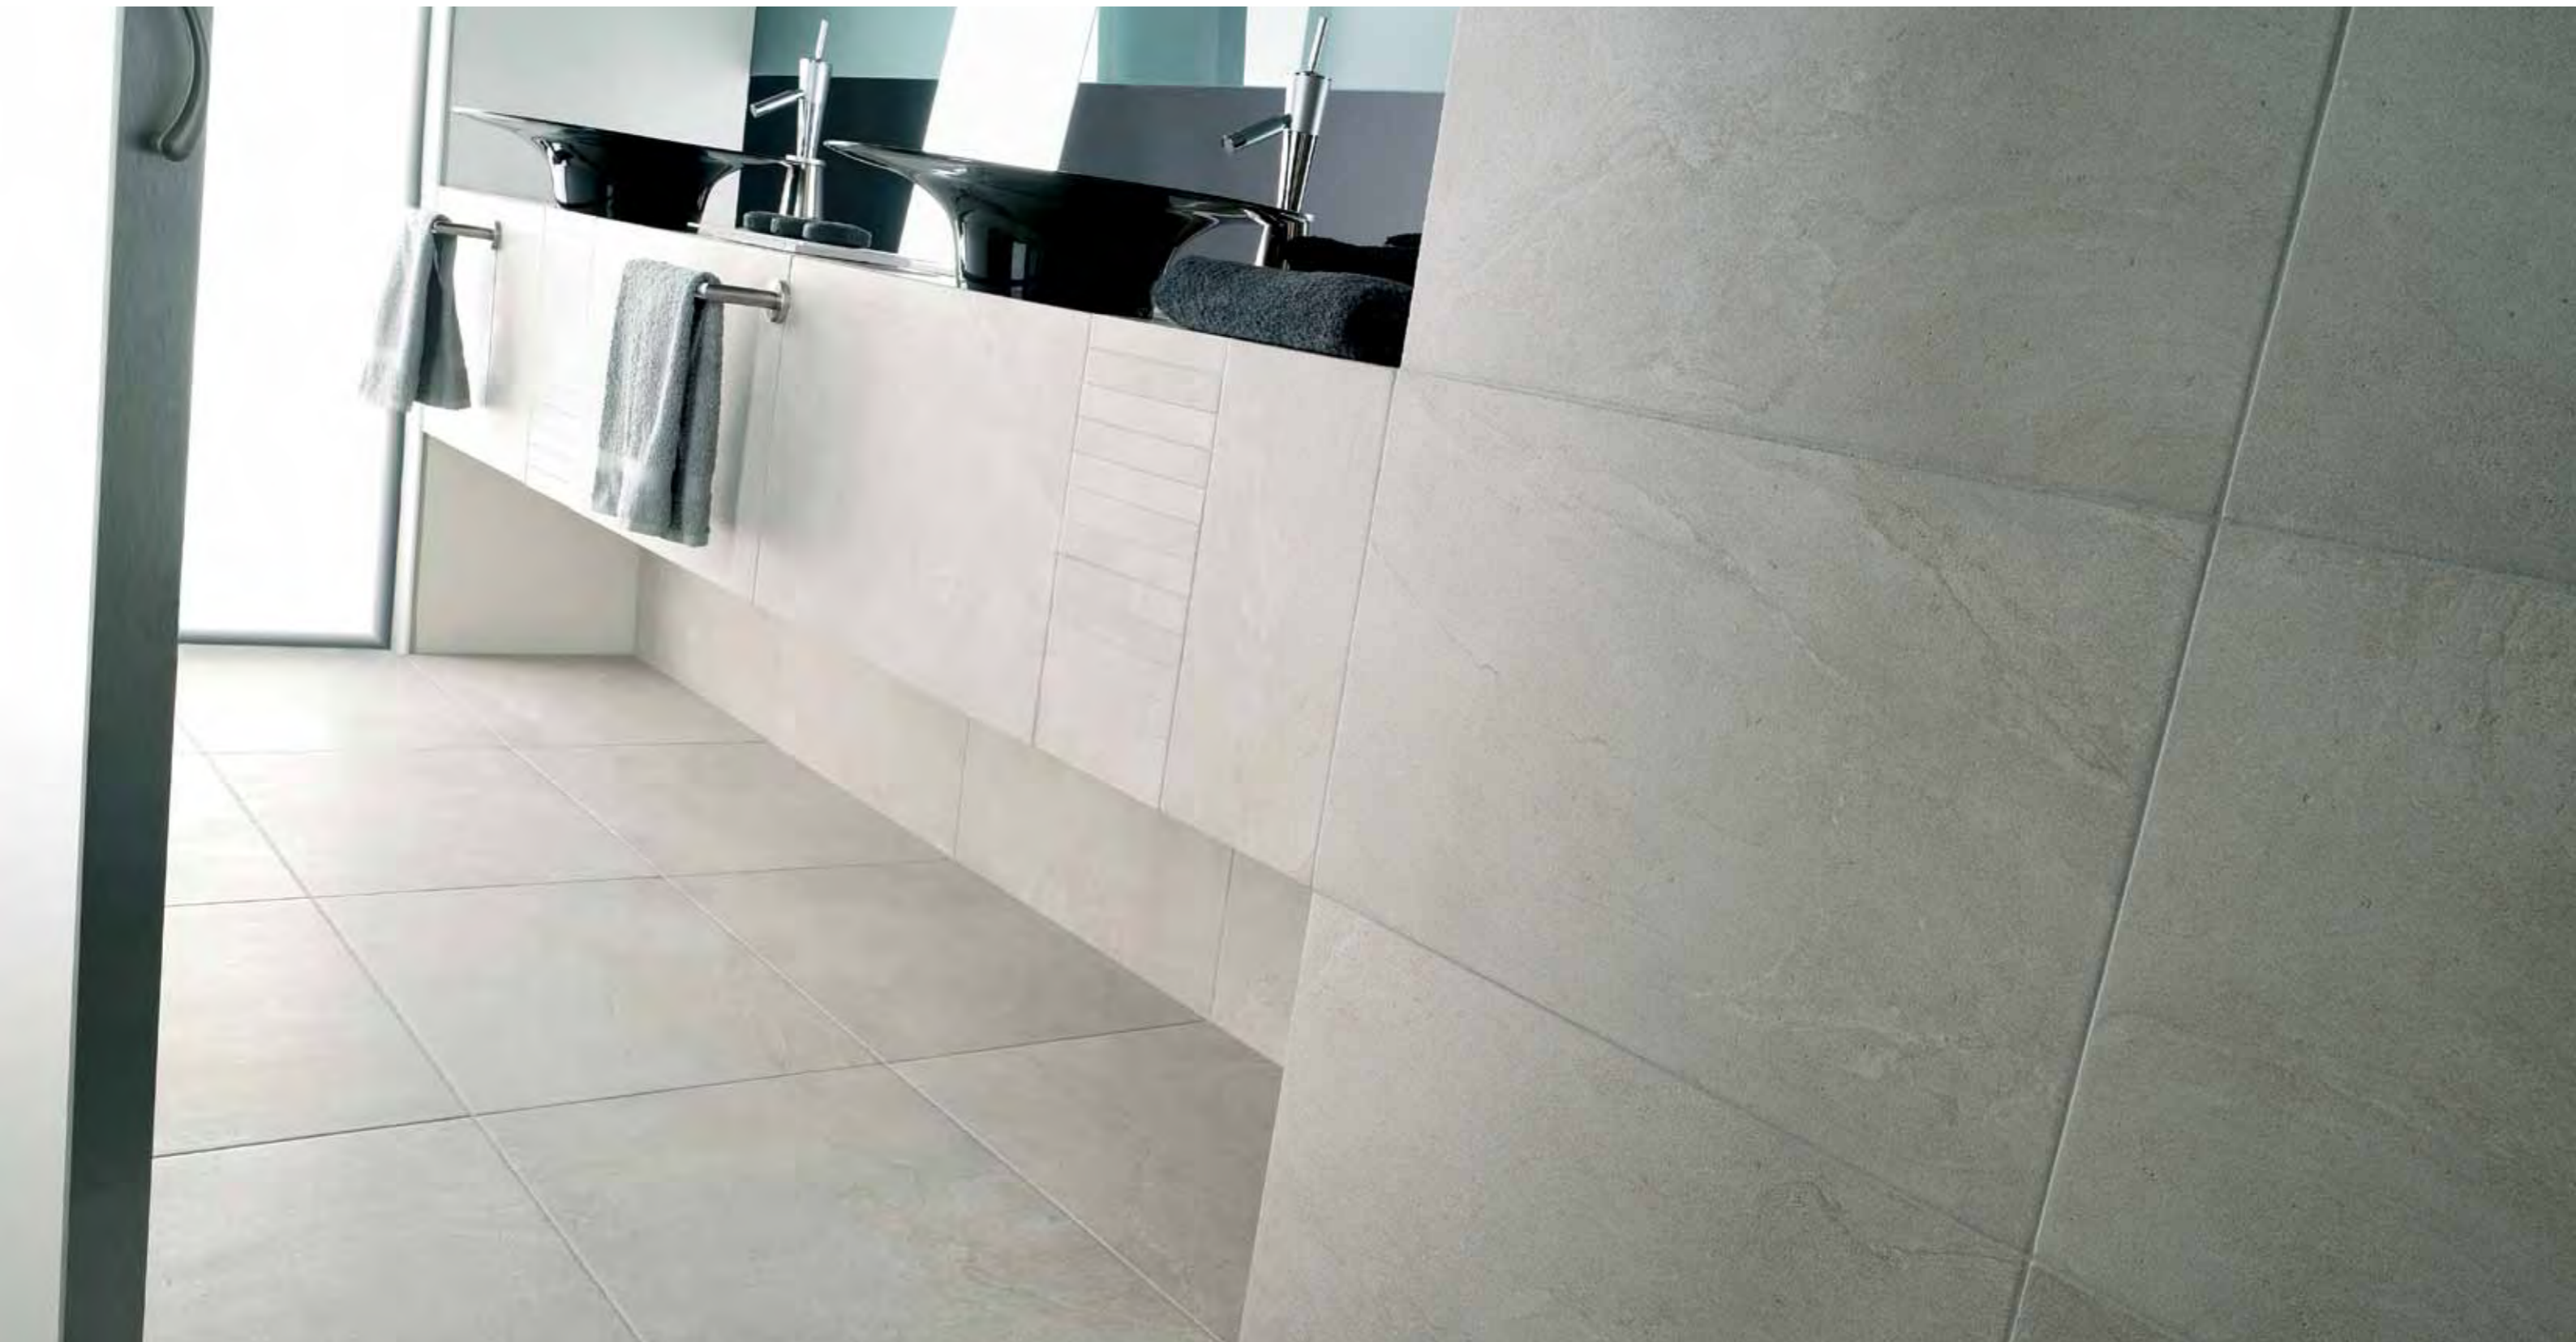

Calmi orizzonti accendono le quinte di così remote figure
