

# Coachella

Las baldosas de cemento son una vez más la elección más popular y representativa de lo vintage, a menudo reinventadas a través de composiciones y diseños originales. Coachella viene en un formato de 20 x20 cm con formas geométricas u otros motivos que se pueden combinar para crear patrones continuos. Tenemos este suave terrazzo decorado con un fino grano en cuatro colores: White, Dove Gray, Fawn y Graphite.

Cement tiles are once again among the most popular and representative of vintage choices, often reinvented through original compositions and layouts. Coachella comes in a 8" x 8" format with geometrical shapes or other motifs that can be combined to create continuous patterns. We offer this soft terrazzo decorated with a fine-grained texture in four colors: White, Dove Gray, Fawn and Graphite.
