

COLLECTIONS

CONTEMPORAIN

Parmi son large choix de designs, THG Paris propose des collections au style contemporain. Lignes droites, graphiques, parfois courbées, les robinetteries contemporaines de chez THG Paris sont épurées et sobres mais toujours élégantes. Les finitions chrome et PVD blush s'adaptent parfaitement à ce style.

From its extensive choice of designs, THG Paris proposes collections in a contemporary style. Straight, graphic or sometimes curved lines, THG Paris contemporary bathroom fittings are pure and understated, but always elegant. The chrome and blush PVD finishes are ideally suited to this style.
