

# CROSS-G

CROSS-G è costituito da una grande cornice rettangolare, elegante e protagonista, arricchita da tubi verticali e lamelle per ottenere alte rese.

CROSS-G se compose d'un grand cadre rectangulaire, élégant et protagoniste, enrichi de tubes verticaux et de lamelles pour obtenir des rendements élevés.

*design Luigi Bremilla*  
CROSS-G is a large eye-catching and elegant rectangular frame, with vertical tubes and grilles for improved output.
