---

### Product Information

#### Soundsystem

The 2.1 system with 2 flat drive speakers, 1 active bass and 1 passive bass create a high-quality listening experience, especially matched to the bathroom situation.

Output power: 2x5 Watt (tweeter/midrange), 1x25 Watt (active bass with one passive radiator-principle).

The technical components of the soundsystem are invisibly integrated into the LED Mirror cabinet, with a loss of the useable volume of 2 1/8" in height. The control of the soundsystem is independent of the illumination. Music streaming and control is compatible with all Bluetooth enabled devices, that support the A2DP profile (stereo audio profiles). The standby power consumption is less than 0.5 Watt.
