The image shows a close-up of a decorative tile pattern. The tiles are arranged in a grid and feature intricate, raised designs. The colors are primarily white, yellow, green, and brown. The designs include floral motifs, geometric shapes, and stylized patterns. The tiles are set in a dark grey or black grout. In the top right corner, there is a small inset image showing a different tile pattern with a more complex, geometric design in black, white, and gold.
