ELEGANCE

Una bellezza superiore

Il lusso non è ostentazione. È coscienza di una bellezza superiore disegnata da materie preziose e cromatismi esclusivi. Così cristalli e black&white dirigono un ritmo unico e privilegiato con cui elevare ogni luogo al di sopra di ogni aspettativa. Sulle righe di uno spartito perfetto.

A superior beauty

Luxury is not ostentation. It is the awareness of a superior beauty, embodying precious materials and exclusive chromatisms. Here, crystals and black&white conduct a unique and privileged rhythm, elevating every location beyond all expectations. As though following the staves of a perfect score.

Une beauté supérieure

Le luxe n'est pas le faste. C'est la conscience d'une beauté supérieure dessinée par des matières précieuses et caractéristiques. Ainsi des cristaux et black&white orchestrent-ils le rythme unique d'un morceau choisi sur lequel élever tous les espaces au-dessus de toute attente. Sur la portée d'une partition idéale.

Eine überragende Schönheit

Luxus ist keine Prahlerei. Es ist vielmehr das Bewusstsein einer überragenden Schönheit, bestehend aus hochwertigen Werkstoffen und exklusiven Farben. Auf diese Weise dirigieren Kristalle und black&white einen einzigartigen und privilegierten Rhythmus, der jedem Ort alles übertreffende Harmonien schenkt. Auf den Reihen einer perfekten Partitur.

Il nero accende il desiderio

Il black si riscopre con gradualità. Un passaggio dal bianco svelando tonalità di grigio e riscoprendo nelle geometrie regolari quelle forme finite e perfette del design che donano all'ambiente l'eleganza ineluttabile e seducente del nero.

Black to light up desire

Back to black, enticingly by degrees. A shift from white through shades of grey, rediscovering in regular geometrical shapes those perfect, finite design elements that give environments the fatal, seductive elegance of black.

Le noir enflamme le désir

Le noir revient, progressivement, en passant par le blanc qui révèle des tons de gris et en redécouvrant dans les motifs géométriques réguliers ces formes complètes et parfaites du design qui dotent l'espace de l'élégance inéluctable et du pouvoir de séduction du noir.

Schwarz entflammt lust

Die Farbe Schwarz will schrittweise entdeckt werden. Farbliche Übergänge: Ausgehend von der Farbe Weiß werden graue Nuancen enthüllt. In den regelmäßigen Geometrien werden dagegen diese fertigen und perfekten Formen des Designs wieder entdeckt, die einem Raum die unumstößliche Eleganz und Verführungskraft der Farbe Schwarz verleihen.
