# ELEGANCE

# Stile millenario

Come radici nella Storia dell'architettura, venature rosa e bianche affondano nella superficie disegnando quella sensazione millenaria su cui poter erigere la propria odierna domus unica.

## Millennial style

Like roots in the history of architecture, pink and white venations penetrate the surface, creating that millennial feeling and foundation on which your everyday domus unica can be built.

## Un style millénaire

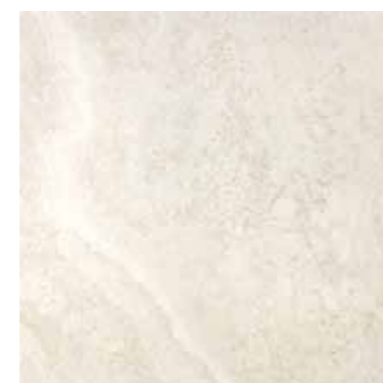

Comme autant de racines ancrées dans l'histoire de l'architecture, des veinures roses et blanches parcourent la surface en dessinant cette sensation millénaire sur laquelle pouvoir bâtir sa propre domus unica d'aujourd'hui.

## Ein auf Jahrtausende zurückgehender Stil

Wie die Wurzeln in der Architekturgeschichte verschmelzen rosa und weiße Äderungen auf der Oberfläche und formen dieses Jahrtausendgefühl, auf dem man sein heutiges „domus unica“ aufbauen kann.
