Wall tiles 31,6x60 Essens Gold, Riv. Essens Gold

Luminoso y atemporal, la colección Essens reproduce sobre la pasta roja un clásico mármol calacatta que funde sus vetas doradas o grises en una base blanca brillante. El toque final de carácter se consigue gracias a su sutil relieve en forma de diamante que augura una eterna elegancia.

This timeless red-body collection reproduces all the luminous beauty of classic Calacatta marble, with gold or grey veins that melt into a glossy white background. The crowning touch is its subtle diamond-shaped relief tile, conceived to bring an extra touch of stylish elegance to the collection.
