

ICONICELEGANCE // *Grand Elegance Rubino*

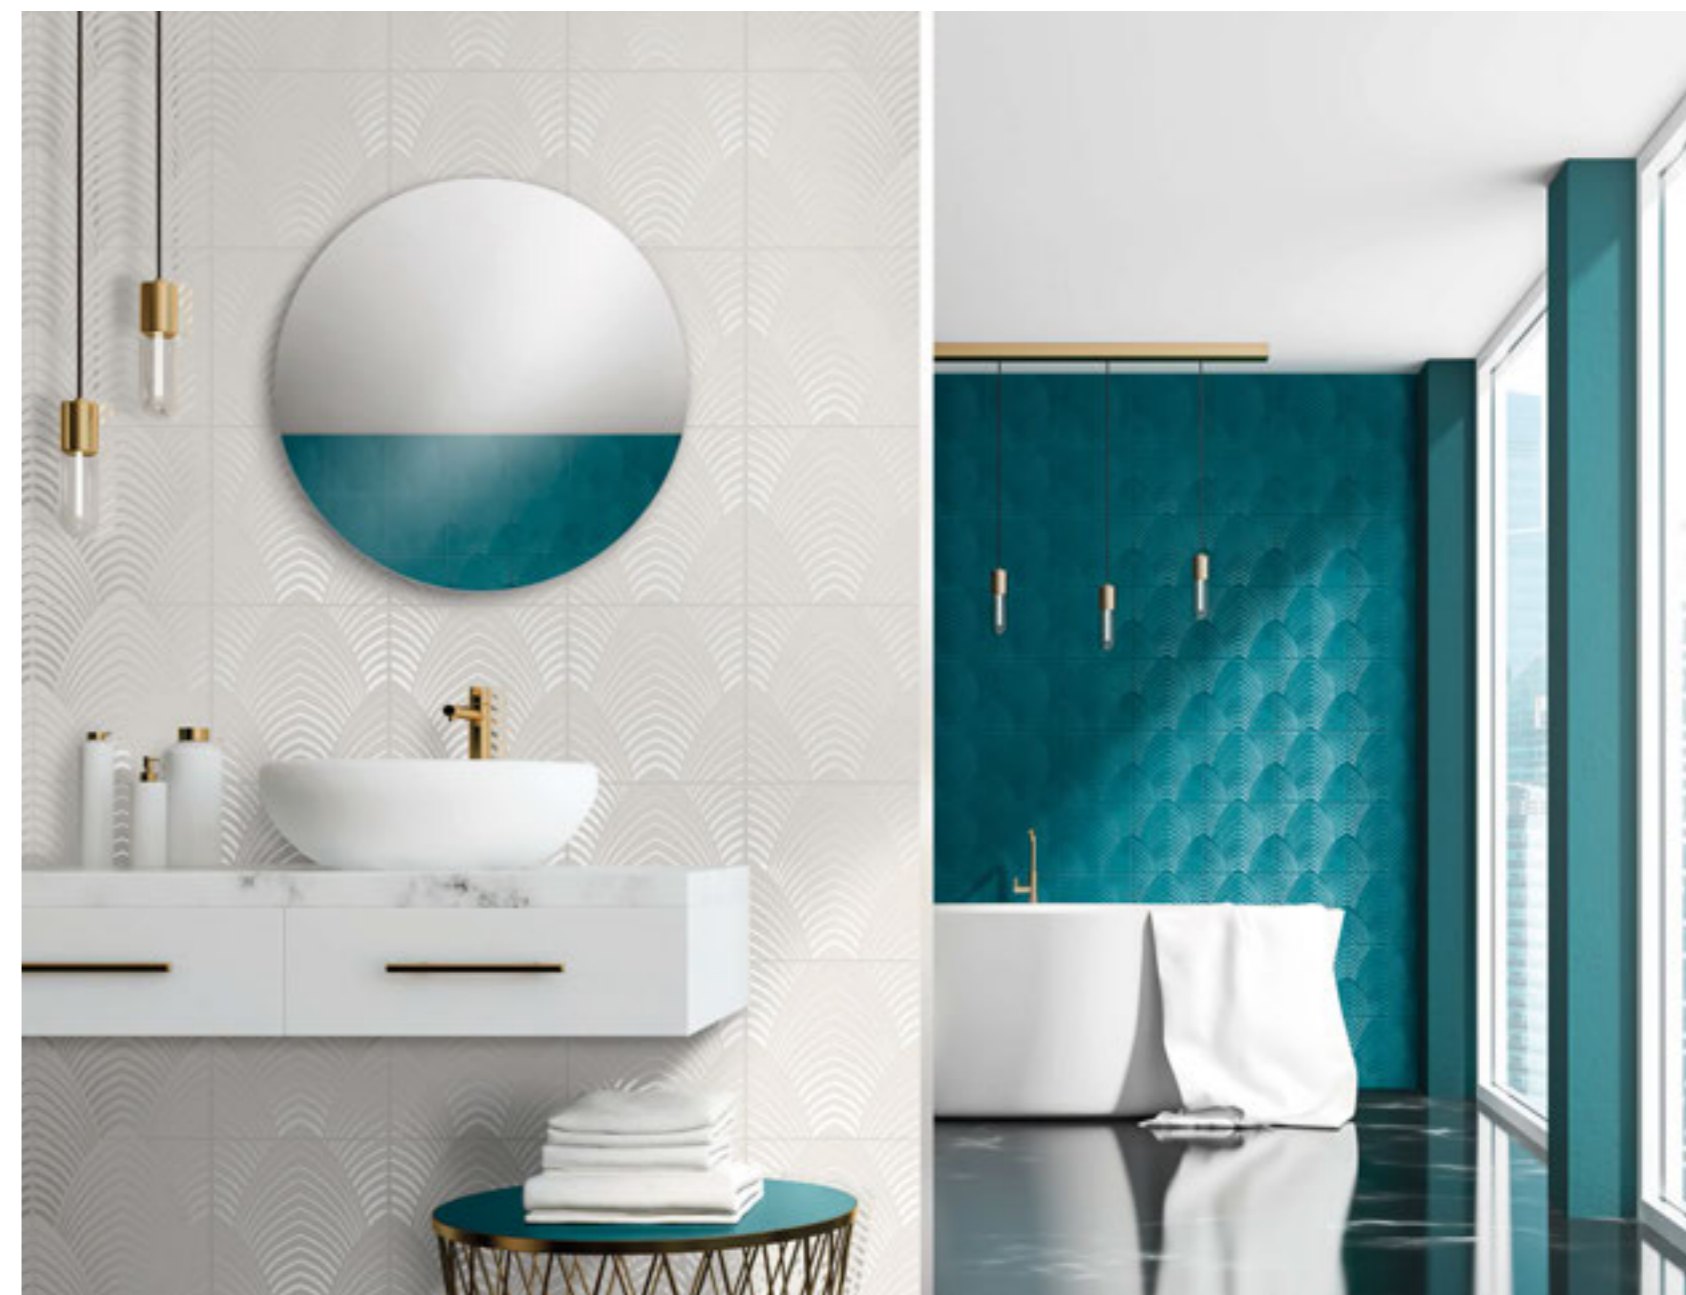

Nasce a 40 anni dalla presentazione del Grand Elegance per renderle omaggio. Come quest'ultima anch'essa presenta colori intensi ed energici, impreziositi da finiture in lustro e oro. I motivi grafici si ispirano a un'epoca che amiamo da sempre: l'Art Déco.

Born 40 years after the presentation of Grand Elegance to pay it a tribute. Just like the latter, Grand Elegance Rubino shows intense and powerful colors, embellished with luster and gold finishes. The graphic motifs are inspired by an era that we have always loved: Art Déco.
