ESPERIENZA

Funzionalità del prodotto, durata nel tempo e massimo rapporto qualità-prezzo: ecco gli elementi che fanno della serie GREEN un classico senza tempo.

Tutta l'esperienza tecnica maturata negli anni viene applicata a questo rubinetto dalle linee moderne e funzionali, per rendere attuale e di design il rubinetto classico per eccellenza, con la gamma completa anche degli articoli richiesti dal design più attuale, quali il lavabo prolungato e il lavabo a muro.

Il lavabo classico è disponibile sia con cartuccia standard che con cartuccia **ENERGY SAVING**, grazie alla quale si può ottenere un sensibile risparmio energetico in quanto l'apertura della leva consente erogazione di acqua fredda, mentre per ottenere l'acqua calda è necessario ruotare la leva verso sinistra.

EXPERIENCE

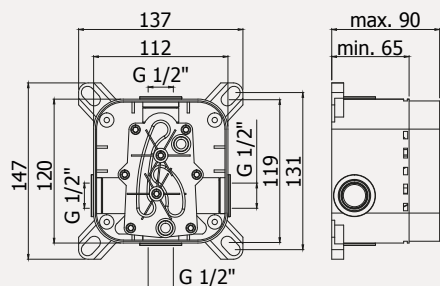

Functionality of the product, long durability and best compromise between quality and price: these are the key points for a timeless classic as GREEN range.

All our technical experience gained over past years has been used to create this modern and up-to-date mixer, which is part of a complete line of products as extended body mixer and concealed basin mixer, the most requested nowadays from the market.

*The classic basin mixer is available with standard cartridge then **ENERGY SAVING** cartridge, thanks to which you can achieve significant energy savings since the opening of the handle in frontal position allows supply of cold water, while for obtaining hot water it is requested to turn the handle to the left.*
