

# GREYSTONE

The exclusive collections in the MUSEUM range bring varying natural effects to larger-format tiles, improving on the finest examples of their natural counterparts. This is the case of GREYSTONE, a collection inspired by classic marble in shades of grey, in this case with finer veining than the real McCoy to ensure a more restful look, suitable for a wide variety of settings.

A collection designed with meticulous attention to detail, GREYSTONE comes in a choice of two background colours, Smoke and Argent, in a 60x120 cm, 90x90 cm or 75,5x151 cm format in a Natural or Polished finish.

86 Las exclusivas colecciones MUSEUM se caracterizan por llevar los efectos naturales a una dimensión superior, mejorando, corrigiendo y controlando lo mejor que nos ofrecen los elementos naturales. Es el caso de GREYSTONE, una colección inspirada en el clásico mármol de tonos grisáceos, en este caso con una venatura más fina que la de la piedra natural, para conseguir un efecto más calmado que se ajuste a todo tipo de espacios.

En dos tonos de base diferentes, Smoke y Argent, esta cuidada colección se presenta en formatos 60x120 cm, 90x90 cm y 75,5x151 cm en acabados Natural y Pulido.
