

# GROHE ZEDRA TOUCH

Put the sweeping, sensual power of water at the centre of your kitchen with the Zedra Touch. Zedra's distinctive fluted swivel spout and beautifully tactile lever combine ergonomic design with visual flair. And with the addition of GROHE's EasyTouch technology, you can also control the water flow with just one touch.

Choose your Touch function in the standard-version with an integrated mixing unit or upgrade with an under-sink Grohtherm Micro thermostat for perfectly controlled warm water and no danger of scalding.
