

GROHE ZEDRA

Contemporary elegance meets total convenience with Zedra. The flared spout echos the natural flow of water, and also contains a pull-down spray to make cleaning easier. The ergonomically-designed lever handle invites you to control your water flow with precision, while GROHE engineering guarantees smooth functionality that will last a lifetime.

GROHE ZEDRA

GROHE's Zedra features a dual-control button with locking feature, which lets you switch effortlessly between spray modes and a SpeedClean nozzle makes removing limescale a breeze. Choose between a high-gloss GROHE StarLight® chrome finish or the anti-bacterial properties of RealSteel for a faucet that is as durable as it is beautiful.
