

Hekla

Uno de los diseños más perseguidos en arquitectura es el que mezcla elementos modernos con la tranquilidad y serenidad de la naturaleza, y que mejor base para conseguirlo que un suelo resistente que nos transmite la armonía de la piedra. En la colección Hekla reúne en 4 colores toda la armonía y serenidad de la piedra natural en una colección cerámica.

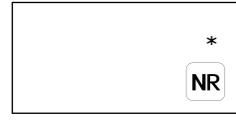

One of the most sought after designs in architecture is a soothing restful natural one with a mix of modern elements. What better way to achieve this than with resistant flooring infused with all the beauty and harmony of stone! In its 4 colours, the Hekla collection brings the harmony and serenity of natural stone to ceramic tiles.
