Hermes

30x90 12"x36" · 60x60 24"x24" · 60x120 24"x48" · 120x120 48"x48"

Ampliamos las posibilidades de esta piedra caliza en colores claros y mucha textura con nuevas estéticas y formatos. Nuevas opciones para pavimento y revestimiento en 60x120, 120x120, 30x90 y 60x60 con hasta diez diseños distintos para conceder continuidad a las superficies.

Hermes adhiere a su *modern look* pétreo un relieve decorativo que recuerda a los antiguos empedrados romanos, en los que, a fuerza de golpes de cincel, se perfila su personalidad y carácter. Un diseño artesano en el que se adivinan los diferentes tipos de trabajo del maestro cantero, donde cada muesca y surco es evidencia de su estilo y saber hacer.

There are endless possibilities with this textured limestone in light shades with new aesthetics and formats. New options for paving and flooring in 60 x 120, 120 x 120, 30 x 90 and 60 x 60 with up to ten different designs to afford continuity to the space.

Hermes adds to its modern stone look with a decorative relief that recalls the streets of ancient Rome, and it is worked to add extra texture and personality. An artisan design which offers clues to the master stonemasonry behind it, in which each notch and groove is testament to style and know-how.
