El más puro estilo mediterráneo clásico totalmente renovado. El clásico terrazo cobra vida propia en la nueva colección Inspire. Levado a piezas hexagonales de 20x24, que dan un toque de modernidad y carácter, mantiene toda su esencia vintage, pero con nuevos colores para hacer de esta colección una de las más metropolitanas de Ecoceramic

This collection is a new take on a Mediterranean classic. Inspire is a revamped version of classic terrazzo tiles in a 20x24 hexagonal format. Despite their vintage essence, the tiles stand out for their personality and modern appeal in refreshing new colours, making this one of the most cosmopolitan of Ecoceramic's collections.
