

STONES

June[®]

Porcelánico Esmaltado / Glazed Porcelain
Pasta Blanca / White Body

Líneas, tacto y color se funden en June para traer calma en estado puro. Su aspecto pétreo fusiona una cuidada técnica de impresión y relieve con tonalidades neutras en gris o grafito y sutiles destellos de luz similares a los generados por el sol en la piedra natural. En suelo mantiene fielmente el aspecto de una caliza que nos trae a la mente las arenas marinas, blancas y perladas con un tacto suave, diverso y rico en matices.

Lines, touch and color merge into June bringing calmness in its purest form. Its stone appearance fuses a careful printing and relief technique with neutral shades of gray or graphite and subtle flashes of light similar to those generated by the sun in natural stone. Once laid out, it faithfully maintains the appearance of a limestone that brings to mind white and pearly sea sands with a soft, diverse texture and rich in nuances.

June Gris 60x120 R

En su formato en pared, la distribución horizontal de los surcos paralelos de cada pieza nos evoca a sílices trabajados por mares y océanos, de textura fina, con ligeros puntos de luz nacarados, como nacidos de conchas, cuarzos o calizas.

In its wall format, the horizontal distribution of the parallel grooves of each piece evokes silicas created by seas and oceans, with a fine texture and subtle points of a shimmery light, as if they were born from shells, quartz or limestone.
