

Faucets

PRIME

Outstanding design and comfortable features fulfill even highest quality demands.

PLUS

Lavish personality for high standards in function and design.

PRO

The all-rounder for private homes and public buildings.

CURVE

curveprime

curveplus

curvepro

The design language of curve discreetly reconciles naturalness with fantasy. Soft organic contours blend into bathroom settings fluidly, lending the scene a sense of lightness and elegance.

TWIN

twinprime

twinplus

twinpro

Twin is bold, logical and cool. Extremely slim and highly precise, it makes for an excellent component of modern, puristic architecture. Twin is ideal for people looking for a timeless and functional design which makes no compromises.

CITY

cityprime

cityplus

citypro

City epitomises the union of puristically flat design features and horizontal proportions. Modern and trendy, it is loved by everyone with a liking for the extraordinary and for top quality.
