

curveprime

Water for the senses: The defining characteristic of curveprime is its elegant bow-shaped outlet, a sensuous interpretation of the flow of water. This comes with a stream shaper as a single-lever mixing unit, dual-handle faucet or three-hole version.

The bathtub faucets in the curveprime range radiate perfection and dynamism. Whether you choose the version for the wall or bath rim – the ranges are comprehensive, and even have a matching handspray.

31170.1.004.211.1

Single-hole washbasin mixer, swivel spout 115 mm, with pop-up waste

31170.1.004.210.1

as above, without pop-up waste
