

The systematic design of the Lb3 faucet series is the full works – all three design versions look incredibly good: from one-hole to three-hole through to bathtub rim and bath and shower mixers. The range also includes hand-sprays and showerhead holders. Summary: A timeless design with innovative technology; the Ecototal technology in the mixing system facilitates a particularly energy and water saving approach when handling the valuable commodity, water.

31168.1.004.121.1

Washbasin mixer, fixed spout
130 mm, with pop-up waste
