

The concealed Simibox system combines ingenious technology and easy handling with high design standards.

Choose the Simibox Standard with integrated stop valves and reversible supply and outlet pipes or one of the simpler Simibox Light versions, depending on the local conditions.

Simibox Light with stop valves

Pre-assembled set with
functional unit and decorative
finish

Integrated stop valves

Just turn two screws and the water stops. The local stop valves facilitates any necessary service quickly and easily without having to turn off the water in the entire building.

Simple positional correction after installation by up to 5°

If the box is not installed exactly level, the functional box of the Simibox Standard can later be adjusted by 5° on both sides.

Flexible

The connections for the supply lines and mixed water outlets can easily be reversed on the Simibox Standard.

	Recess depth	With stop valves	Positional correction up to 5°	Supply and outlet connections reversible	Fits mechanical pre-assembled sets	Fits thermostatic pre-assembled sets	Pre-assembled set can later be exchanged/replaced

Extension ring for rose, 30 mm

Cutting-edge technology behind the wall means nothing without attractive packaging to round it off. The high-quality design of our concealed mixer perfectly complements the shower and bath experience. The pre-assembled kit is made up of the functional unit, together with the corresponding decorative elements, and is available to match all our design ranges. If new forms are required, a replacement is possible in next to no time. Whether you are looking for classical elegance, futuristic boldness or everyday simplicity – LAUFEN concealed mixers have something for every taste.
