Incasso _ Built-in

La nuova gamma di lavelli a raggio minimo nasce per coniugare eleganza e modernità nelle forme con praticità d'uso quotidiano e facilità di pulizia. Essa si colloca perfettamente nell'ambito di ambienti curati caratterizzati da linee sobrie e pulite soddisfacendo l'esigenza di una utenza sofisticata.

Angoli acuti e linee simmetriche sul gocciolatoio in aggiunta alla robustezza del lavello assicurano una bellezza che dura nel tempo, arricchita ulteriormente dalla copertura in acciaio delle Pilette.

Progettato e realizzato per soddisfare tutti i fabbisogni dei nostri clienti

I lavelli Linear Plus completano la propria famiglia con i nuovi modelli Incasso Lama. Il bordo perimetrale, rettificato e smussato, dona morbidezza al tatto ed integra perfettamente il lavello nel Piano di lavoro.

The new range of minimum radius sinks was conceived with the goal to combine elegance and modernity along with practical use and ease of cleaning. This sink perfectly fits into sleek and neat surroundings, fulfilling the needs of an exigent market.

The sharp corners and symmetric lines of the drain board along with the sturdiness of the sink ensure long lasting beauty enriched by the steel lid covered drain.

Designed and manufactured in order to fulfill the needs of our customers.

The Linear Plus sinks include the new built-in Flat models. The perimeter edges are smoothed and rectified, allowing comfortable use and perfect integration with the kitchen countertop.
