A creative review of the mythical Belgian natural stone Pierre Bleu. Simple and apparently neutral, Lucca presents subtle details that give it depth and a definition that verges on perfection and recalls the aesthetics of some pavements that can still be seen walking around the walls surrounding this legendary city in Tuscany founded by the Etruscan civilization.

Una revisión creativa de la mítica piedra natural belga Pierre Bleu. Sencillo y aparentemente neutro, Lucca presenta sutiles detalles que le aportan profundidad y una definición que roza la perfección y que rememora la estética de algunos pavimentos que aún hoy pueden contemplarse paseando por los muros que rodean esta legendaria ciudad de la Toscana fundada por la civilización etrusca.
