Memories

Memories is a special collection where we use production techniques reintroduced from handicrafts systems. On the one hand, it's composed of smaller versions of the classic tile formats. We also use a double firing system that allows us to reproduce colour gradients on the surface and with a crackle glazed effect when desired.

Memories es una colección especial donde usamos técnicas de fabricación reintroducidas de los sistemas artesanos. Por un lado, está compuesta de versiones más pequeñas de los formatos clásicos cerámicos. Además utilizamos un sistema de bicocción que nos permite reproducir degradados de color en la superficie y craquelados a voluntad.
