

METAL.IT

tempo acciaio minimale  
contemporaneo

Moderna, essenziale e ricercata, **METAL.IT** è una collezione che si ispira all'acciaio spazzolato, graffiato dal costante utilizzo e dall'inesorabile passaggio del tempo.

La collezione è stata ideata per rivestire gli ambienti moderni, cosmopoliti, eleganti e mai scontati.

**Luoghi pubblici o privati** dove l'involucro rappresenta un contenitore puro ed essenziale per mettere in risalto architetture minimali, rigorose senza mai essere fredde e asettiche.

Il nome selezionato per la serie intende sottolineare la grande attualità del design contemporaneo italiano.

*Modern, simple and sophisticated, **Metal.it** is a collection inspired by brushed steel, scratched with constant use and the inexorable passage of time.*

*The collection is designed for modern, cosmopolitan interiors which are elegant and never banal.*

*Public or private locations where the building's shell becomes a pure, simple container, emphasising minimalist architectural forms which are severe but never cold or sterile.*

*The name chosen for the series is intended to underline the trendiness of Italian contemporary design.*

## notes

*Moderne, épurée et recherchée: la collection Metal. it puise son inspiration dans l'acier brossé, griffé par le cours inexorable du temps. La collection a été conçue pour habiller les espaces modernes, cosmopolites, élégants et toujours surprenants: des lieux, publics ou privés, où l'enveloppe représente un contenant pur et essentiel, mettant en relief des architectures minimalistes et rigoureuses sans être jamais froides ni aseptisées. Le nom choisi pour la série entend souligner la grande actualité du design contemporain italien.*

*Modern, minimalistisch und edel. Als Inspiration für Metal. it diene gebürsteter Stahl, zerkratzt vom fortwährenden Gebrauch und den Spuren der Zeit. Die Kollektion ist für einen modernen, kosmopolitischen, eleganten und unkonventionellen Lifestyle konzipiert. Für öffentliche und private Bereiche, in denen die Hülle als puristischer, schlichter Raumkörper fungiert, der reduzierten, strengen, jedoch niemals kalten, aseptischen Stilwelten Platz bietet. Die Namensgebung der Serie ist ein Verweis auf die starke Aktualität des zeitgenössischen italienischen Designs.*

*Moderna, sobria y sofisticada, Metal.it es una colección que se inspira en el acero cepillado, rayado por el uso constante y por el inexorable paso del tiempo. La colección se ha ideado para revestir espacios modernos, cosmopolitas, elegantes, jamás adocenados. Lugares públicos o privados en los que el «envoltorio» constituye un contenedor puro y sobrio que pone de relieve estructuras arquitectónicas minimales, rigurosas, nunca frías ni asépticas. El nombre elegido para designar la serie remarca la gran actualidad del diseño contemporáneo italiano.*

*Вдохновением для создания современной, строгой и изысканной коллекции Metal.it стала сталь с щеточной отделкой, поцарапанная непрерывным использованием и неумолимым ходом времени. Эта коллекция была разработана для облицовки современных, космополитичных, элегантных и никогда не банальных интерьеров, общественных или частных пространств, в которых оболочка является чистым и строгим вместилищем для подчеркивания минималистской, строгой, но никогда не холодной и безликой архитектуры. Выбранное для этой серии название подчеркивает высокую актуальность современного итальянского дизайна.*
