MITIGEURS

Fonctionnels et originaux, les mitigeurs THG Paris font désormais partie des incontournables dans la salle de bain d'aujourd'hui. Avec leurs lignes sobres et élégantes, ils allient les qualités fondamentales de THG Paris : savoir-faire, technicité, design et son large choix de finitions.

Functional and original, the THG Paris mixers are now a must in today's bathroom. With their sober and elegant lines, they combine the fundamental qualities of THG Paris: know-how, technical expertise, design and its wide choice of finishes.
