Basin mixer, without waste /
Miscelatore lavabo, senza scarico

The Ovale collection by Gessi is a stylish bathroom range designed for Gessi by Prospero Rasulo. Breaking once again the "rules" set by tradition and common sense, Gessi introduces an unprecedented oval section for the tap body and the coordinated accessories. In fact each piece of the vast collection has been styled in the form of an elegant oval suggesting a beautifully sculpted appearance and sense of softness and delicate harmony.

La collezione Ovale di Gessi è una linea da bagno di grande stile e charme, disegnata per Gessi dal celebrato designer e artista Prospero Rasulo.

Rompendo ancora una volta le "regole" fissate dal luogo comune, che insiste su corpi tradizionalmente rotondi del rubinetto, Gessi introduce per prima una inedita sezione ovale per il corpo del rubinetto e gli elementi coordinati.

Ogni singolo componente della gamma, dalla bocca di erogazione alle maniglie, ai soffioni, fino agli accessori, svolge brillantemente il tema della forma morbida e fluida dell'ovale, figura che esprime serenità, equilibrio e pura eleganza.
