Blooming riscopre il più tradizionale dei decori.  
Rami frondosi percorrono la superficie delle  
lastre ricamando foglie e tralci leggiadri sulle  
nuance della collezione.

Blooming rediscovers the most classical decoration. Leafy branches in the slab surface embroider graceful shoots and leaves on the collection nuances.

Blooming redécouvre le plus traditionnel des décors. Des branches luxuriantes courent sur la surface des dalles, formant une ravissante broderie de feuilles et de sarments dans les nuances de la collection.

Blooming macht das traditionellste Dekor wieder aktuell. Auf mit Laubästen überzogenen Platten füllen luftige Blätter und Triebe die Fläche in den Farbnuancen der Kollektion.

Blooming recupera la decoración más tradicional. Ramas frondosas recorren la superficie de las placas bordando magníficas hojas y sarmientos sobre los matices de la colección.

*Коллекция Blooming возвращает нас к традиционному рисунку в отделке.*

*Густые ветви стелятся по поверхности плитки, создавая на нежном фоне изящный узор из листьев и побегов.*

Blooming重新发现最传统的装饰元素。枝叶在瓷砖表面跃动，在本系列的精妙色调上装饰典雅的树叶与树枝
