Pietra Zero

Incasso _ Built-in

La serie Pietra Zero ha un design pulito, caratterizzato dalle ampie vasche che permettono il lavaggio anche delle stoviglie più voluminose. Il materiale di cui sono composti ha una superficie molto simile alla pietra naturale, in grado di ritardare la formazione del calcare, con uno straordinario effetto seta al tatto, risultando estremamente solido e semplice da pulire.

The Pietra Zero design is neat. Its wide bowls allow the washing of voluminous dishes. Its stone-like material holds off calcium deposit and its smooth surface provides ease of cleaning. Touching the sink, you will get an extraordinary silky feeling.
