Mármol, un clásico que gana valor con el paso de cada temporada. La joya de la arquitectura y el diseño que nunca pasa de moda. Atractivo y elegante, la serie Pulpis es la colección perfecta para crear ambientes naturales, sin renunciar a nada en el camino de la modernidad, gracias a su original diseño.

Por su carácter polivalente y entereza, Pulpis se puede utilizar como pavimento o revestimiento y acaba con las limitaciones del espacio, convirtiendo cada pieza en un elemento decorativo.

Marble, a classic that gains in value with the passing of each season. The jewel of architecture and design that never goes out of style. Beautiful and elegant, the Pulpis series is the perfect collection to create natural atmospheres, without sacrificing anything in the way of modernity, thanks to its original design.

Due to its versatility and strength, Pulpis can be used as a floor or wall tile and it eliminates space limitations, making each piece a decorative element.
