

VERSATILITÀ

La fusione tra forma quadra e tonda crea uno stile unico per le serie RINGO e WEST, rendendole perfette per ogni stile di design e di arredamento. Oltre che nelle sue forme, la versatilità di queste serie si evidenzia anche nelle sue numerose varianti: leva aperta per la serie RINGO, leva chiusa per la serie WEST.

E per entrambe le versioni il lavabo è disponibile in tre altezze differenti (Standard, Medio e Prolungato), e sia con cartuccia standard che con cartuccia **ENERGY SAVING**, grazie alla quale si può ottenere un sensibile risparmio energetico in quanto l'apertura della leva consente erogazione di acqua fredda, mentre per ottenere l'acqua calda è necessario ruotare la leva verso sinistra.

VERSATILITY

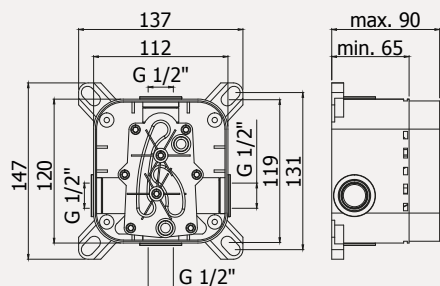

*The fusion between square and round shape creates a unique style for RINGO and WEST series, making them perfect for any design style and furnishings. In addition to their forms, the versatility of these series is also evident in its many variations: Open handle for RINGO series, closed handle for WEST series. For both versions, washbasin mixer is available in three different heights (Standard, Middle and Extended), and even with standard cartridge then **ENERGY SAVING** cartridge, thanks to which you can achieve significant energy savings since the opening of the handle in frontal position allows supply of cold water, while for obtaining hot water it is requested to turn the handle to the left.*

La serie RINGO è inoltre disponibile, oltre alla versione classica cromata, anche nelle moderne finiture BIANCO OPACO e NERO OPACO.

The RINGO series is also available, in addition to the classic chrome, in modern finishes: MATT WHITE and MATT BLACK.
