ENC. RIVER STONE BLACK · LAV. RIVER STONE BLACK · ESPEJO RIVER STONE

This initiative with the global design studio DSIGNIO directed at reinventing the concept of round pebbles in a spectacular round shaped countertop, mirror and washbasin collection, made of fine materials. Carved out of a single piece of stone, the countertop and washbasin are available in a choice of anthracite grey or beige.

Esta colaboración con el estudio de diseño integral DSIGNIO revisa el concepto del canto rodado para crear una espectacular colección de encimera, espejo y lavabo de formas redondeadas y materiales nobles. Talladas en piedra de una sola pieza, tanto la encimera como el lavabo, están disponibles en tonos gris antracita y beige.
