ROADSTONE

El lienzo de nuestro viaje se compone de una multitud de caminos que nos permiten acceder a lugares tan fantásticos y bellos que solo la imaginación puede ser la causante del impasse. Las sensaciones percibidas son positivas, un paso firme y certero fortalece nuestro afán por descubrir, así pues, proseguimos el camino.

The canvas that is coloured by our journey is criss-crossed by myriad paths leading to places of such wonder and beauty that only the imagination could explain such an impasse. The perceptions are all positive; a steady and unerring step that merely adds to our yearning for discovery, and so we continue on our way.
