GRINTA E GENTILEZZA

Il Rock fece irruzione nel mondo della musica, portando qualcosa di mai sentito prima, di accattivante, raccogliendo elementi classici e tradizionali ma producendo un feel nuovo e vivo. Allo stesso modo la serie Rock nasce da un'esperienza di forma classica e discreta, ma elabora le sue linee per produrre qualcosa di geniale: le innovative geometrie impreziosiscono il contesto come un assolo arricchisce una melodia.

Questa serie si presenta con una grinta decisa, con energia e carattere, quasi aggressiva; eppure mitigato nel carattere dalle sue linee tondeggianti, che fondono in maniera armoniosa i volumi tondi e le linee rette.

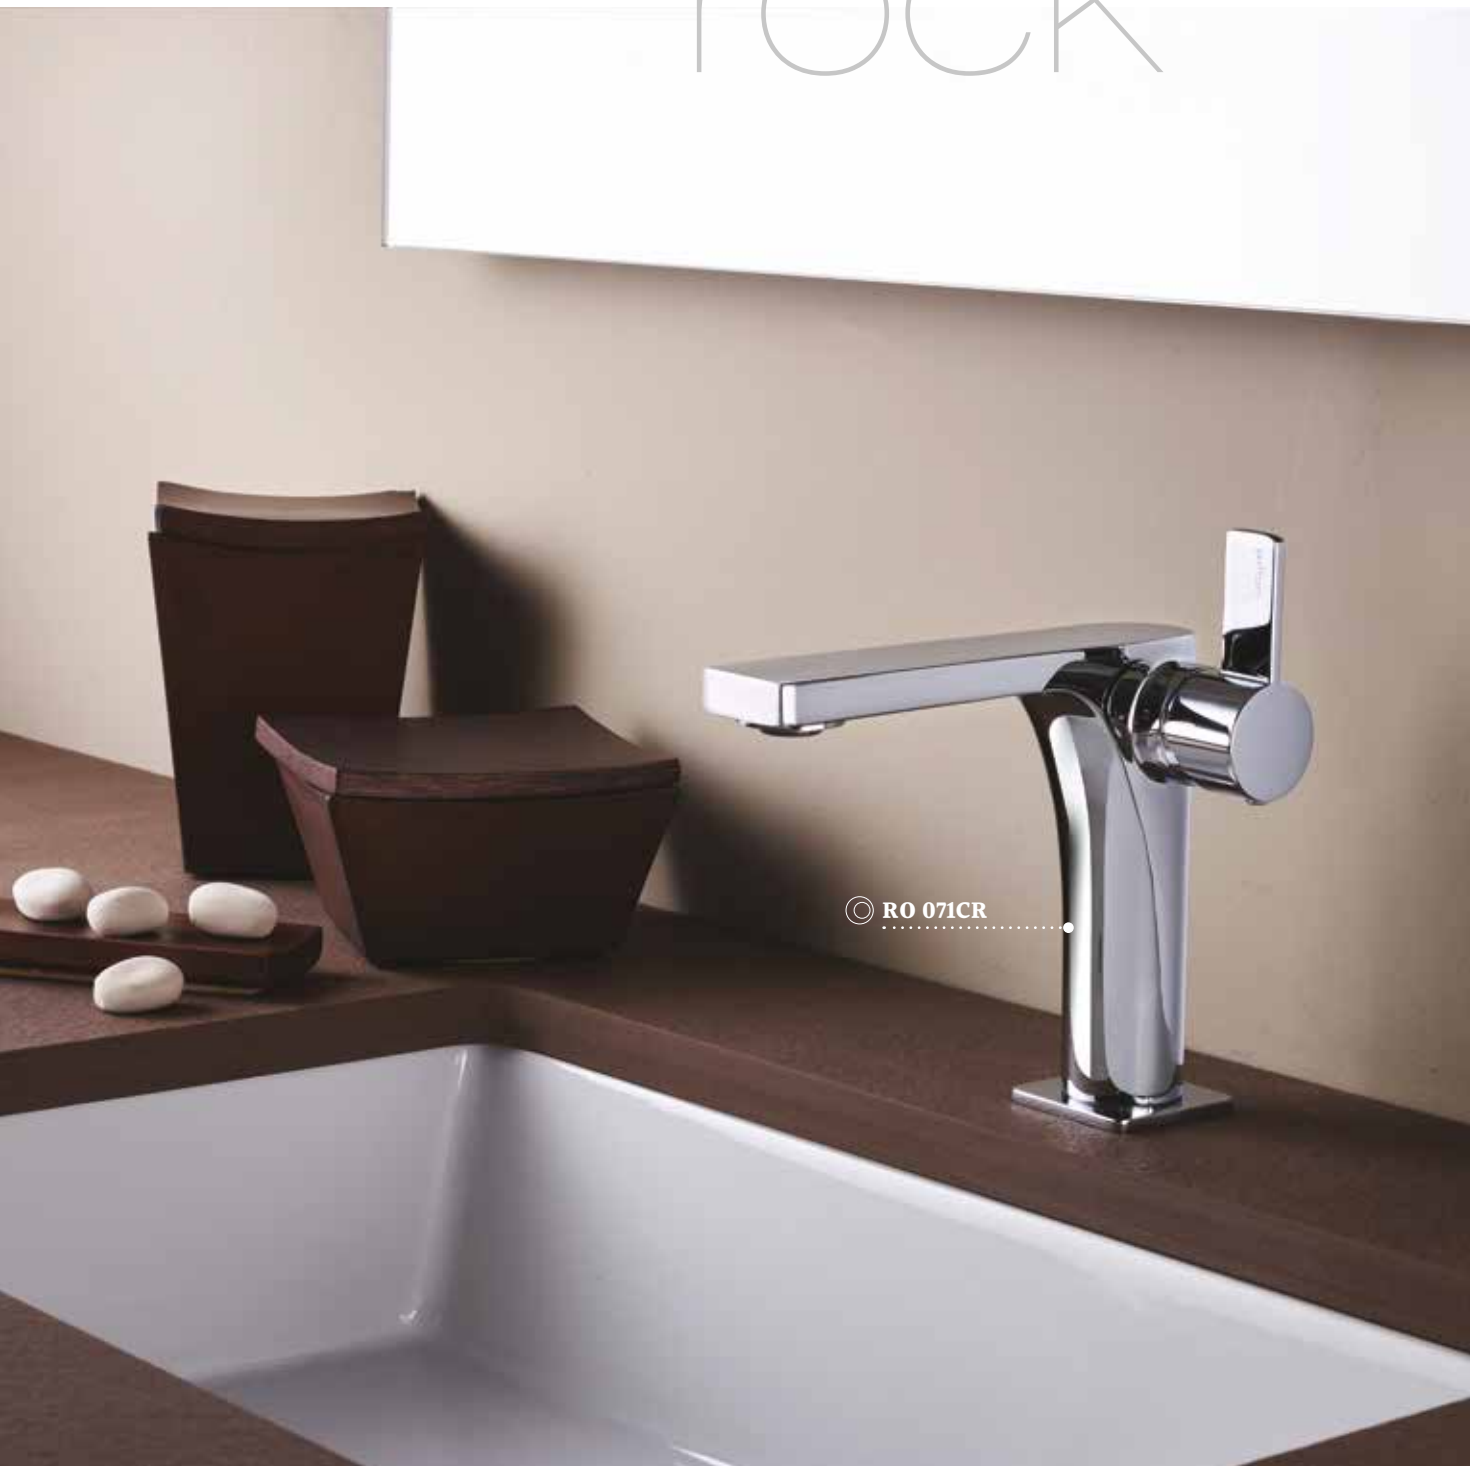

GRIT AND KINDNESS

The ROCK broke into the world of music, bringing something never heard before, captivating, collecting classic and traditional elements but creating them new and alive.

Similarly the ROCK series is classic and discreet form of experience but draws its lines to produce something brilliant: innovative geometries embellish the context as a musical solo enriches a melody. This collection presents itself as a determined grit, with energy and character, almost aggressive, but lightened by its rounded lines, mixing harmoniously round volumes and straight lines.
