A collection of color swatches and tile samples for the Selyse collection. The swatches are arranged in two columns, showing various shades of beige, cream, and light brown. The tile samples are arranged in a grid, showing different finishes and patterns. The top row shows a light beige tile with a subtle pattern. The second row shows a white tile with a grid pattern. The third row shows a light beige tile with a subtle pattern. The fourth row shows a light beige tile with a subtle pattern. The fifth row shows a light beige tile with a subtle pattern. The sixth row shows a light beige tile with a subtle pattern. The seventh row shows a light beige tile with a subtle pattern. The eighth row shows a light beige tile with a subtle pattern. The ninth row shows a light beige tile with a subtle pattern. The tenth row shows a light beige tile with a subtle pattern.
