SILKSTONE TRAY

Silkstone Tray è l'ampia gamma di piatti doccia, sintesi perfetta tra innovazione, design ed eleganza contemporanea. Con oltre 25 varianti formali e dimensionali, i nuovi piatti doccia sono perfetti per incontrare le esigenze di spazio più svariate: dalle versioni standard, a quelle angolari, alle soluzioni extra long per le docce walk-in. Sottili, realizzati in Silkstone, sono disponibili in due varianti di finitura superficiale: bianca matt - completamente liscia con un touch vellutato, oppure bianca materica effetto pietra.

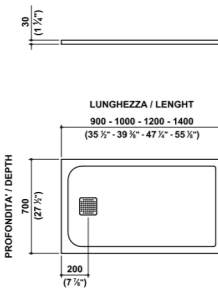

Silkstone Tray is a wide range of shower trays, that combines innovation, design and contemporary elegance. With over 25 different shapes and sizes, the new shower trays are the ideal choice for the widest possible variety of spaces: from standard to corner versions, to extra-long solutions for walk-in showers. Thin, made of Silkstone, they are available in 2 different surface finishes: matt white - completely smooth with a velvety touch, or stone-effect textured white.
