

SUPERNOVA

Gelişmiş üretim teknolojisi sayesinde yoğun trafiğe dayanıklı ve uzun ömürlü Supernova, çeşitli yüzey ve renk alternatifleriyle iç mekanlarda hem yer hem de duvara uygulanabilecek şık seçenekler sunuyor. Supernova, ticari alanlar ve dış mekanlar gibi yoğun kullanım gerektiren yaşam alanlarında da 30x60cm, 60x60cm ve 60x120cm ebatları, yumuşak çizgileri ve traverten görüntüsüyle kullanıldığı her yüzeye farklı bir anlam katıyor.

Supernova brings a new look and feeling to every surface it is used on, especially to those with heavy pedestrian traffic - like commercial properties and outdoors - with its soft lines, travertine looks and size options offered at 30x60cm, 60x60cm and 60x120cm.

Die langlebige, dank der erstklassigen Herstellungstechnologie auch für starke Beanspruchung geeignete Supernova-Reihe bietet elegante Optionen mit verschiedenen Oberflächen und Farbalternativen, die für Fußböden und Wände in Innenräumen geeignet sind. Mit den Maßen 30x60cm, 30x60cm und 60x60cm setzt Supernova jede Oberfläche ins rechte Licht – insbesondere Wohnbereiche, die starken Belastungen ausgesetzt sind, sowie Geschäfts- und sogar Außenbereiche.

Résistant au trafic intense grâce à sa technologie de fabrication de pointe, la série Supernova, de longue durée de vie, offre des options élégantes et une variété de surfaces et de couleurs qui peuvent être utilisées sur les sols et murs intérieurs. Avec ses dimensions de 30x60cm, 60x60cm et 60x120cm, elle offre des traits doux et une apparence de travertin. Supernova redéfinit chaque surface sur laquelle elle est utilisée, en particulier dans les espaces de vie à fréquentation intense, ainsi que les espaces commerciaux et même les espaces extérieurs.
