

# TABULA

\_2016

design  
Mario  
Ferrarini

Modello e design registrato, brevetto depositato  
*Registered model and design, patent filed*

“In principio era Caos soltanto”, scrive Esiodo, poi finalmente è arrivata TABULA, una collezione di pianetti/vassoio in Flumood per organizzare gli oggetti di uso quotidiano in bagno e in qualunque altro ambiente. Componibile, trasportabile, multiuso, resistente agli urti, TABULA si integra e crea ordine, incorniciando e valorizzando gli oggetti.

*“In the beginning there was only Chaos”, Esiodo wrote, than TABULA finally arrived, a collection of trays made of Flumood to organize objects of everyday use in the bathroom or any other environment. Modular, portable, multipurpose, shock resistant, TABULA integrates and creates order, framing and enhancing objects.*
