Un profundo estudio de las tendencias en materia de colores ha permitido llevar el cemento donde nunca antes. Tonalidades como el nude, el makeup o la línea de los cottos nos han permitido dar un nuevo aire a este material y ampliar sus posibilidades para la arquitectura y el interiorismo.

Tokio Decor Matt es una propuesta efecto listón muy elegante que experimenta con la profundidad de las piezas y los bajos relieves. Aware Matt suaviza la rudeza del cemento con una decoración geométrica muy sutil, apelando a la simetría, el orden y el equilibrio más propios de la filosofía japonesa.

A thorough study of colour trends has enabled us to transform cement like never before. Tokio Decor Matt has a very elegant effect that experiments with the depths of the relief and the varying pieces. Aware Matt softens the roughness of cement with a very subtle geometric pattern, appealing to the symmetry, order and balance that are characteristic of Japanese philosophy.
