Decoro Slab Texture

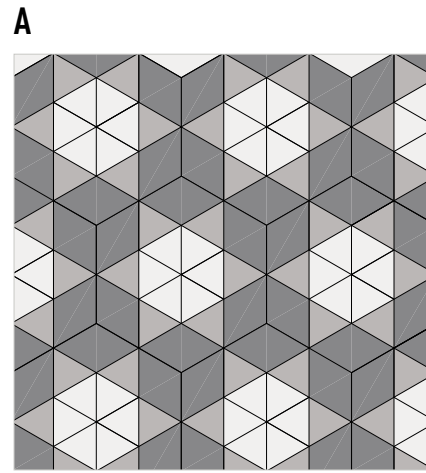

Lievi variazioni di tonalità e di calibro sono una proprietà intrinseca di questo prodotto artigianale. I soggetti decorativi non sono venduti individualmente ma solo in un mix casuale. Slight shade and caliber variations are an intrinsic property of this artisan porcelain. Patterns not sold separately but only as a random mix.

Estella è prodotta per estrusione in modo totalmente artigianale; pertanto differenze superficiali, di tono o di calibro sono da considerarsi proprie del materiale e non difetti.

ISTRUZIONI DI POSA

1. posare il materiale utilizzando collante per gres porcellanato;
2. consigliamo di posare i pezzi accostandoli e ruotandoli senza distanziarli in modo che risultino armonici e che creino automaticamente la fuga ideale;
3. caricare di collante non solo la superficie da pavimentare/rivestire ma anche il singolo pezzo per compensare le differenze di planarità che si potrebbero riscontrare in un prodotto trafilato;
4. stuccare le fughe e lisciarle con una spugna;
5. effettuare la pulizia finale fino a rimuovere gli eccessi di stucco ancora freschi;

Estella is an extruded and handmade product; therefore any surface difference or any diversity in shade or caliber should be considered as peculiar of the product instead of defects.

LAYING INSTRUCTIONS

1. lay the material using a glue for porcelain ceramic tiles;
2. we suggest you to follow the shape of individual pieces placing the more next to each other and rotating them without leaving any space so that they are harmonious and automatically create the ideal joint;
3. load the adhesive not only on the floor/wall but also on the single piece to compensate different thickness of a drawn product;
4. level the joints using a sponge;
5. make the final cleaning with a sponge until all residual grout which is still wet has been removed.
