

TumbleRain

One of the most innovative bathing experiences ever created: a shower that takes you back to a simpler time, to the fond memories of being inundated with a wave of water as the thrilling climax of the bathtime ritual.

Rediscover the thrill of bucket baths!

TumbleRain has been carefully engineered to automate the entire effort involved in bucket baths. Simply set or mix the water temperature to your preference and use the diverter's on and off controls. The high-mounted 'bucket' fills automatically every few seconds and empties itself dramatically over you.

Technology brings back a simple joy

- Automated Tumbling
- No Water Deposit
- No Scaling
- No Bacteria
- A Green Product
